

# Directions from Shanghai Pudong Airport to Hangzhou Zhejiang University Accommodation.

Please do not worry too much about language issues because both PVG and Hongqiao Transportation Hub are very "international" with a lot of English signs and directions.

There is no bus number for the shuttle buses since they are special and different from other public buses. The bus from PVG to Yellow Dragon Sports Center is a non-stop one so there's no need to worry about where to get off. Remember to use toilet first before getting on the bus!

When you arrive, you will see a giant stadium (with a capacity of 60,000 seats). The campus is within walking distance, but since you will have luggage it's best to take a taxi.
